

CRIME FREE MULTI-HOUSING PROGRAM REGISTRATION

The training and materials provided by The City of Jacksonville Police Department is intended to foster healthy and safe neighborhoods, by reducing drug dealing and other illegal activity, through police and property management involvement in the rental community. The curriculum and materials should NOT be regarded as legal advice, or considered a replacement for the property manager's responsibility to be familiar with the law. In that regard, I release the City of Jacksonville and its employees from all liability and responsibility from my participation in this class.
