

JACKSONVILLE POLICE DEPARTMENT

Policy: 16-7

Effective: 01-01-09

Revised: 01-18-21

HOME STORAGE VEHICLES

PURPOSE: The purpose of this policy is to provide employees of the Jacksonville Police Department with guidelines for the assignment of home storage vehicles.

POLICY: It is the policy of the Jacksonville Police Department to maximize police visibility and increase the longevity of Department vehicles through proper implementation of a home storage program. The home storage program will allow for vehicles to be better cared for and the immediate mobilization of emergency personnel.

PROCEDURES:

I. ELIGIBILITY REQUIREMENTS FOR PARTICIPATION

Officers are eligible for participation in the home storage program if they possess a good work history and have a minimum of three (3) years of continuous service with the Police Department.

II. AUTHORIZED OPERATIONS

Home storage vehicles will only be operated by:

- A. The assigned employee;
- B. Authorized maintenance or repair personnel;
- C. Probationary employees while riding with the assigned employee;
- D. Emergencies requiring the use of the vehicle by another officer; and
- E. Others, as directed by the Chief of Police.

III. AUTHORIZED USE

Employees assigned home storage vehicles may utilize them as follows:

- A. For travel to and from the Jacksonville Police Department and during the employees' tour of duty;
- B. As transportation to appear as a witness in any court as long as it is job related;
- C. Canine officers are authorized to utilize their assigned vehicles outside the city limits for travel to and from the Jacksonville Police Department; and
- D. The Chief of Police and Division Commanders are permitted to utilize their assigned vehicles outside the city limits as long as it is consistent with the image of the Police Department.

IV. PROHIBITED USE

Employees are prohibited from using their home storage vehicles for:

- A. The transportation to/from any establishment that serves or sells alcoholic beverages; and
- B. The transportation of large or heavy items that protrude from the vehicle.

V. VEHICLE MAINTENANCE/ MODIFICATIONS

- A. Officers are required to service check their vehicle daily and ensure routine maintenance is performed by the City Garage or other approved facility as required.

- B. Officers will not make modifications to their vehicle without prior, written approval of the Chief of Police.

VI. ADDITIONAL INFORMATION

- A. Passengers will be limited to other police officers, Jacksonville employees or other government personnel, or during the course of official business.
- B. Officers are reminded that they are driving a police vehicle. Should an incident occur, they should be equipped to take whatever action is necessary until relieved by an "on-duty" officer.

Brett C. Hibbs
Chief of Police
