

Steel Chest Plates

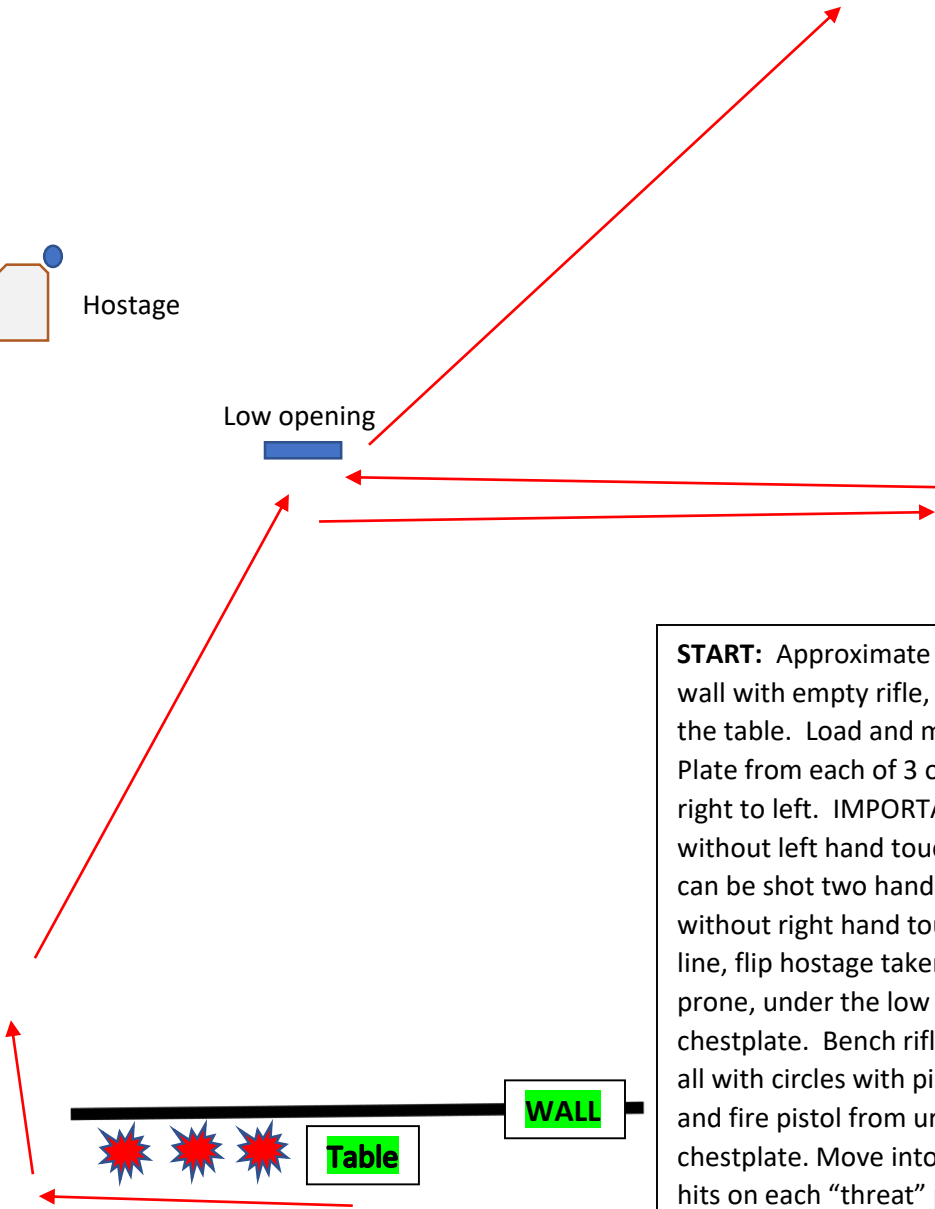

Blind Zone with 3 different shooting positions. Paper Threat Targets

Stage 2: Big Blind
Rifle : 17
Pistol: 16

Hostage

Low opening

START: Approximate 55 yard line: Start behind the wall with empty rifle, bolt closed, and magazine on the table. Load and make two hits on each Chest Plate from each of 3 openings in the wall. Moving right to left. **IMPORTANT:** Right window must be shot without left hand touching the gun. Center window can be shot two handed. Left window must be shot without right hand touching the gun. Move to 25 yd line, flip hostage taker headplate, then from urban prone, under the low opening, make 2 hits on each chestplate. Bench rifle. Move to dueling tree and flip all with circles with pistol. Move back to low opening and fire pistol from urban prone. 2 hits on each chestplate. Move into the Blind zone and make two hits on each "threat" paper target. Pics of targets will be shown beforehand.
